

Call for Proposals

Conflict of Interest

No

You may add any comments that help you decide the feasibility of this submission for acceptance to the 2025 Annual Meeting.

If you don't want to write anything, just write "n/a" or type in a dash; the field is mandatory in the submissions software. Submitters *cannot* see your ranking or your notes (nor can any co-chairs). Although conference administrators can see this information, please email them directly.
